- DELRAY BEACH - Nominations are being accepted for the Knights of Pythagoras Mentoring Network's 16th Annual Mother of the Year Award.

Nominations are being sought from local community based organizations, businesses, professional associations, government agencies and non-profit community groups that know of an individual who shows an exceptional spirit of volunteerism and is deserving of this coveted award. Nominations are due by Friday, March 21.

The Mother of the Year program was initiated in 1994 to publicly honor a Delray Beach resident whose contributions to the community symbolize the finest traditions of motherhood and volunteerism; being a parent is not a requirement to be nominated for the Mother of the Year Award. Past honorees have included hard-working, dedicated community servants whose outstanding volunteerism has contributed positively to the livelihood of Delray Beach residents. Nomination forms and award criteria can be found on the Knights of Pythagoras Mentoring Network's website at <http://www.kopmn.org>.

A panel comprised of Past honorees, City officials, business leaders and community representatives will review the nominations and select the honoree. The 16th Annual Mothers of the Year will be honored at a special ceremony on Saturday, May 8. For more information or for sponsorship opportunities, please call (561) 665-0151.

The Knights of Pythagoras Mentoring Network is a grassroots social service organization that provides an array of services to meet the needs of children and their families in hopes of breaking the cycle of poverty.
